

Presenting: **Donald Mann - "The Identity Repairman"**

Identity Theft is Not Just Your Money Enter The Identity Repairman to the Rescue!

STOP BITING YOUR NAILS AND START SHARPENING YOUR IDENTITY!

Donald Mann says this is no time to sit around being worried about your finances, relationships, career or your health; it's the time for action! And he has just the right tools in his repair kit to help. Donald wrote *OK, GOD, Now What?*, on how you can use **uncovering** your self-identity for better health and finances **created** from what he learned **firsthand** from **years** of growing companies and people in the business world.

Donald will share with your listeners:

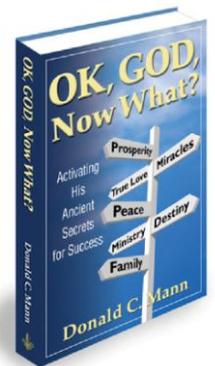

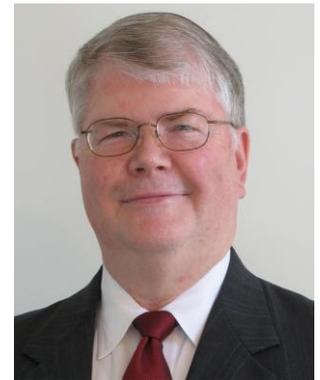

- That if you **haven't discovered** your best self, you will end up in a doctor's office.
- 5 major signs you are in an identity crisis
- 5 steps you can take to eliminate stress-related medical and life issues.
- How you can save \$1,800 a year in medical costs.

He'll show you why you need to determine what makes you different, how small steps DO add up and why it's important to remember the hook.

All the economists are saying that things aren't going to look better for a while. **Donald Mann** will not only give you the tools to help you keep your life afloat, but to generate positive results as well. **Great call-in show!**

Suggested TOPICS for DISCUSSION:

- ❖ How to turn your life to success in hard times by repairing your self identity.
- ❖ Why he is certain that your doctor visits will spike in two to six months after the election.
- ❖ You live 95 percent of your life through your subconscious mind and ways fear-based thinking affects you even though you may not realize it. You are not aware of it, it is unconscious, but it is real, and it never stops.
